+ ADD

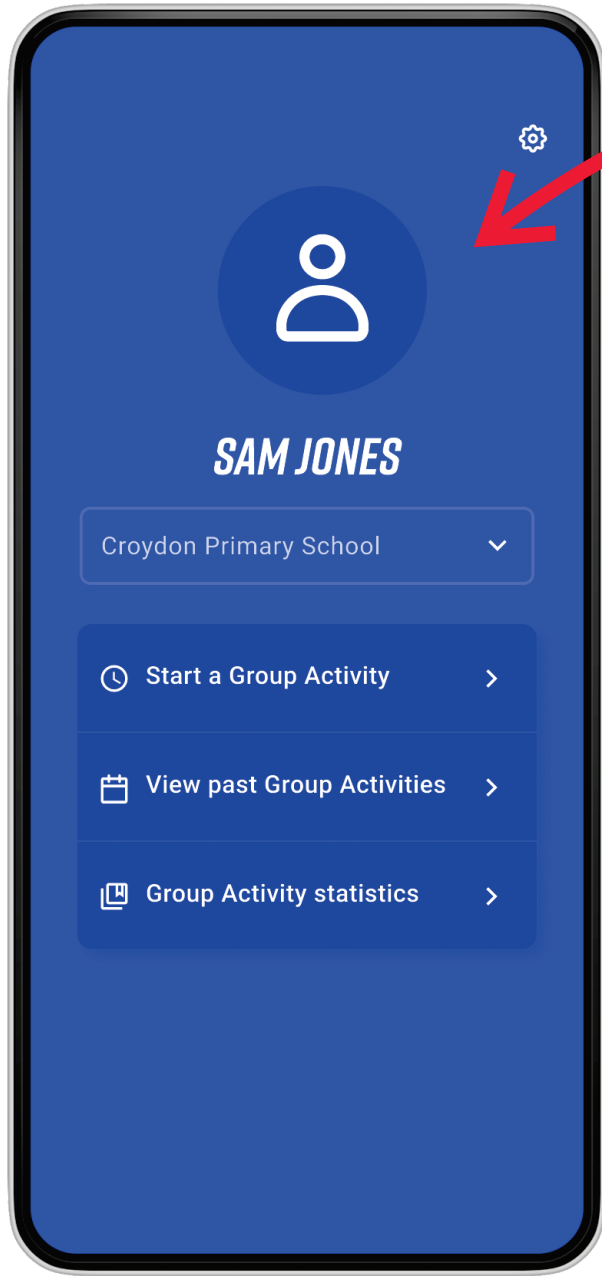

Creating your account is easy, enter your **Name, Education/sport association, email address (where applicable) and create a Password**

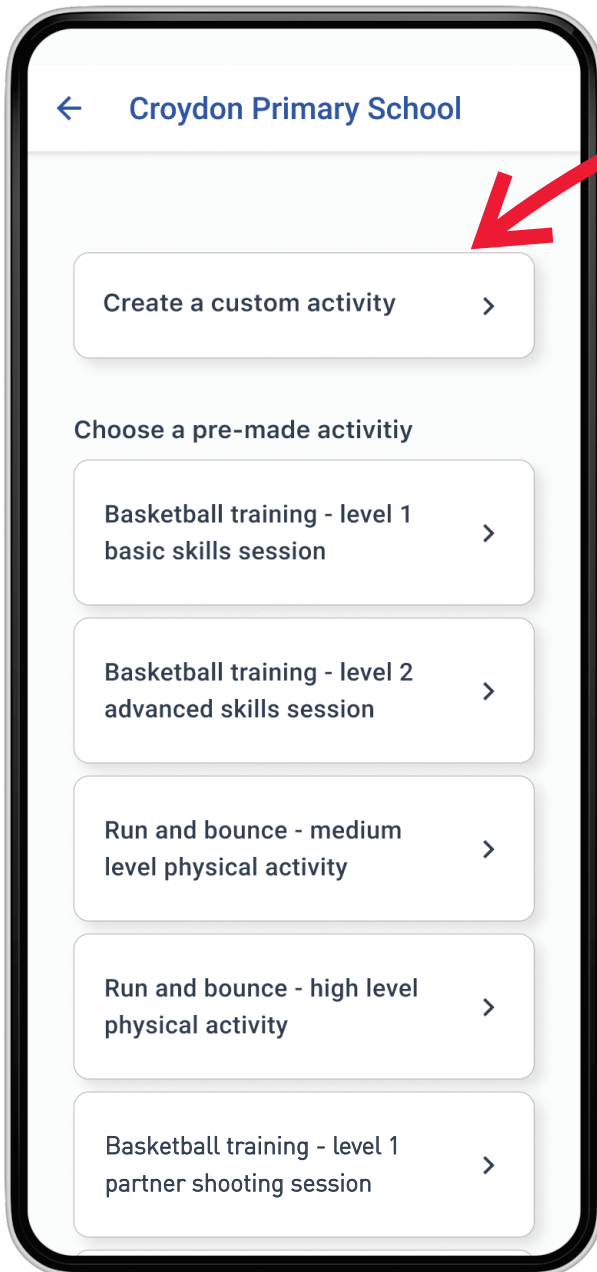

From the Organisation drop down, select your **School(s)/Club(s)** and **Add**

If not listed, contact **hello@weetbixactivebands.com.au**

Teachers & Coaches can add multiple organisations and switch between organisations to apply activities

When recording an activity ensure your correct **Organisation** is selected (if registered with multiple organisations)

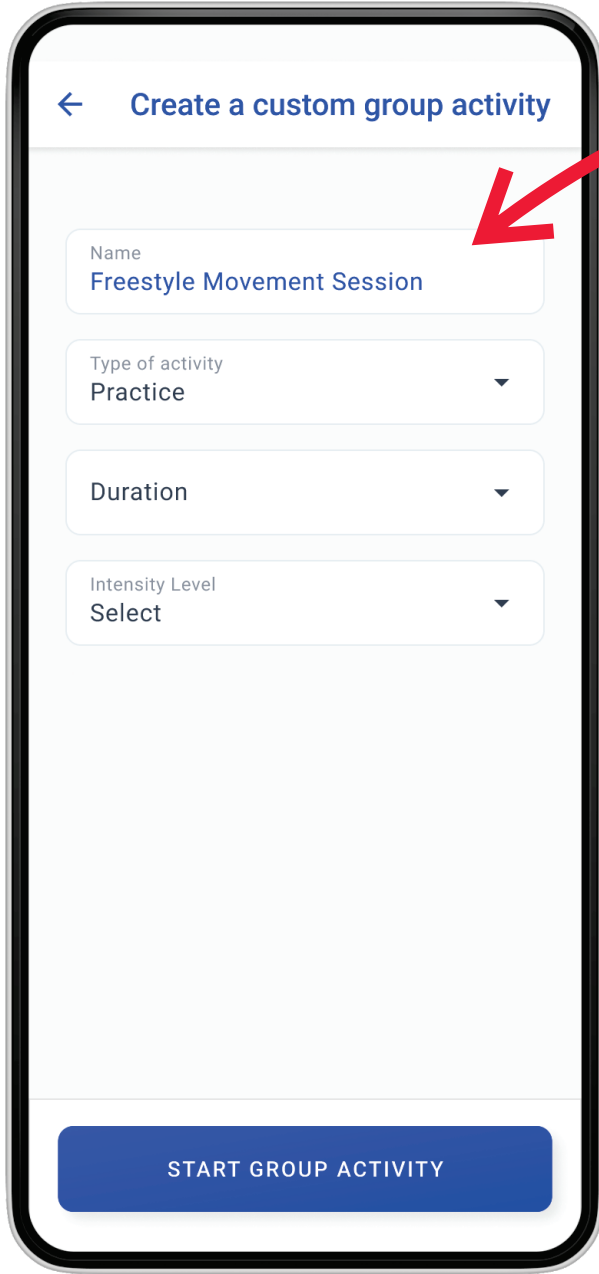

To begin,

Select **Start a Group Activity** and choose a pre-made activity, or create your own custom activity

If you require a standard/ frequent activity to be loaded as a pre-made activity for your organisation, please contact

hello@weetbixactivebands.com.au

← Create a custom group activity

Name
Freestyle Movement Session

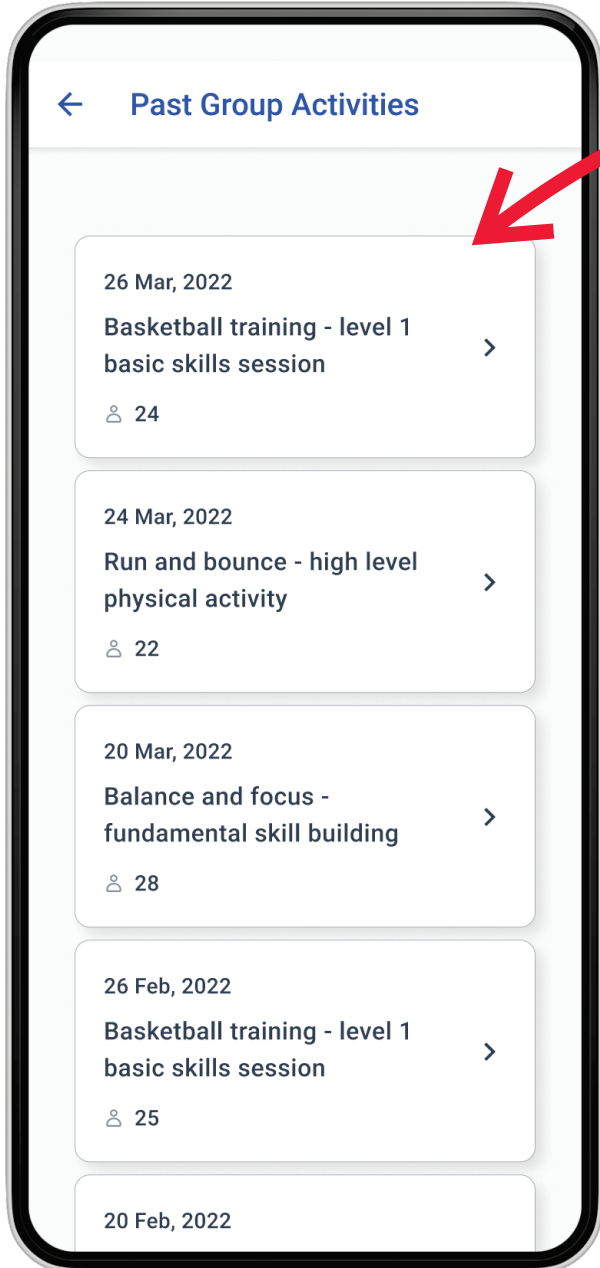

Type of activity
Practice

Duration

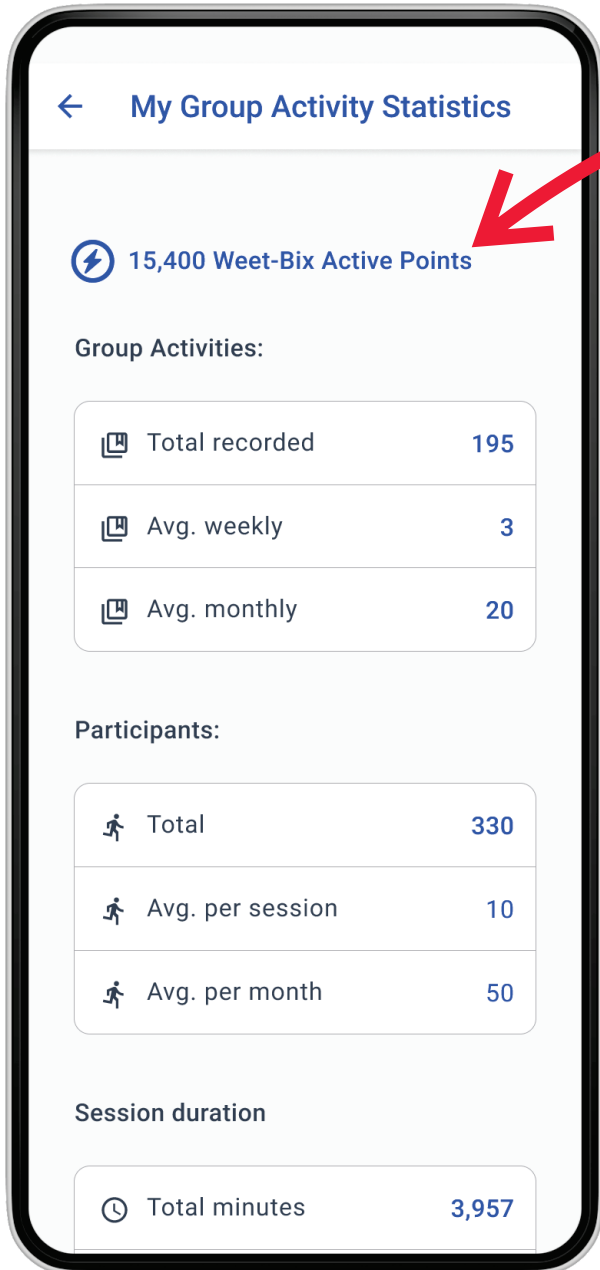

Intensity Level
Select

START GROUP ACTIVITY

To create a custom activity, create an activity name, choose the type of activity, enter the duration and intensity level from the drop-down menus under each field

From the home screen you can select **View Past Group Activities** as a snap shot of all logged group activities

From the home screen you can also view **My Group Activity Stats** for total, weekly and monthly stats/ averages
